

-
- Technical cross-section diagram of a trenchless pipe installation. The diagram shows a trench with a 170mm width and a 150mm inspection chamber pipe. The trench is lined with 20mm material. The surrounding ground is shown in cross-section. A note indicates "Push fit pipe coupling by others".

[illegible]

Technical cross-section diagram of a raised garden bed. The diagram shows a concrete base, a 100mm thick layer of gravel, and a 200mm thick layer of soil. Various plants are shown growing in the bed, including black and yellow flowers, orange flowers, and a small tree. A red dashed line indicates the edge of the bed. A scale bar shows 100cm.
